

Application For HCCS SGA Executive Officers – Publicity Secretary

Name: 魏西雅 (Sherry Wei)

Grade in Chinese School 2024-2025: 8th Grade

Contact Information: treesherry12345@yahoo.com

Personal Statement:

I want to take this opportunity to advance my experience on continuously organizing and supporting Chinese school activities as well as better serving HCCS community. I've been involved in Chinese School SGA activities since I started learning Chinese at Howard County Chinese School. I worked together with other SGA members for several programs in the past. I've been also a SGA member at Mount View Middle School for two years which have helped me become a better leader through my school experience. I'm a quick learner and easy-going person with enthusiasm to serve the entire HCCS community.

This time I'm going to apply for the position of Publicity Secretary.

My understanding is the secretary plays a key role in facilitating the smooth operation of the SGA by managing administrative tasks, maintaining records, and supporting communication and collaboration among SGA officers and members. A secretary in SGA is critical in ensuring that SGA operates efficiently and effectively. My objective is to take full responsibilities at that position to fully fulfill the functions in the organization. I would contribute my past experience, education background, and team skills to achieve SGA's goals. I hope I could be a point of contact for SGA members and others seeking information about SGA and its activities. I'll assist with various projects and initiatives undertaken by SGA such as event planning, fundraising and community outreach etc. from which I can gain more experiences. I will work closely with other SGA members and officers to ensure all the activities run smoothly and that decisions are implemented effectively. One more important goal I consider is to provide support to the SGA president and collaborate with all SGA members. I'll definitely make great contribution to SGA success and put in much of my personal strategy to help the whole team if I'm elected as SGA Publicity Secretary.
