Hi everyone, my name is Cindy Qin, and I am a rising sophomore at Howard High School. I am running to be one of the Vice Presidents of the Howard County Chinese School Student Government Association.

I want to make use of my strengths of being easily adaptable and good at socializing to become a strong Vice President. I have the intent to improve our Chinese school and encourage more people to get involved with SGA. I have lots of experience volunteering and am always taking initiative to help out. If elected, I will lead new and returning members of the SGA to become strong leaders in our community. I also have ideas to make events more fun while also promoting Chinese culture.

I love to be involved with the community and want to make a difference. Some of my school involvements include being on the Cross Country and Track teams, Accessories for a Cause Club, and Tri-M honor society. Outside of school I participate in the BSYO orchestra.

SGA/Leadership Experience:

- 2020-2023 Bonnie Branch Middle School Student Council Member
- 2023-2024 Chinese School SGA Member
 - Actively helps out at events (SGA Tables, Field Day, Mid-Autumn Festival Gala, etc.)
- 2023-2024 Howard High School SGA Member
- 2024-2025 Howard High School Class Council Elected Secretary
 - Already started to plan events

Remember to vote Cindy Qin for Vice President!
