Dear fellow members and students,

My name is Iris Hai. I am a rising 10th grader at Marriotts Ridge High School and Howard County Chinese School, and I am running to be your next vice president of the Student Government Association.

My experience with the SGA stems all the way from the start of middle school. I started out as an ordinary member, attending meetings and festivities. These events were all extremely fulfilling and I was able to volunteer and give back to a community that had given so much to me. As a singer, one way I could contribute was through performances at gatherings such as the Chinese New Year Gala, a cherished opportunity that led to my involvement in many other celebrations. As a result, I decided to take a step further and run for treasurer. This role granted me experience in a leadership position, letting me realize the importance of the Student Government Association in a variety of aspects in our Howard County Chinese School. As my tenth and last year begins, I want to continue influencing the young individuals of our community to get involved in outreach programs and opportunities that will attract more and more interested students to our school, utilizing teamwork. I firmly believe that being a part of Howard County Chinese School and taking a role in the SGA has allowed me to understand the contributions of our culture as Chinese-americans, and our responsibility in making a change in society, whether through attending events, volunteering, or simply signing up for a club. As vice-president, I will make it my goal to expand the activities of the SGA, organizing new and evolved philanthropy programs such as food drives for those in need and opportunities to enrich

your education. Together, we can guide our fellow peers to their journey in contributing to our community.

Thank you for your support. I look forward to working with you all to make our school a better place for everyone.
