

Hello my name is Edward Yang. I am a rising 8th grader at HCCS. At my school, I am an all state saxophonist, compete in Math and Science Olympiad, and led my team to the robotics World Championships. I love to stay active, and I frequently do sports like soccer and swimming. When I have free time, I like to spend time with my friends, and play Minecraft and Fortnite.

I am running for Treasurer because I know that I am passionate about working with numbers and looking at data. My strength aligns with the role of Treasurer because I would count the funds for the SGA, put it in Google Sheets and then start doing what I like doing. I'm also very organized because I categorize things very well. Doing this, I believe that I can help the SGA. I have participated in one SGA activity before and I would like to participate in more.
